IX. FILM POLICIES

A. Policy

1. All played contests (conference and non-conference) will be uploaded to Game Tape Exchange.
2. The home team will be required to upload games following each conference game.
3. If a non-conference game is played on the road, the PSAC team **MUST** upload the game. If you are playing against an opponent whose league also uses GTX, make contact with that institution as they will be permitted to upload the game for you and have it located in both league libraries. GTX needs to be aware of this arrangement, and in fact has encouraged it.
4. The home team must upload the game by noon the day following the played contest. This means the contest must be available and completely uploaded by noon.
5. For an away non-conference game, the upload must be completed and available by noon 48 hours following the played contest. An institution may upload (and is encouraged to do so) game earlier than required.
6. An institution will not be permitted to download any contests until they have uploaded all games played to date.
7. There will be full access to all contests played in the exchange. Each institution will be able to download all other institutions' games regardless of home/away, conference/non-conference.
8. In addition to timely uploading, the games must be in the required format outlined by Game Tape Exchange.
9. Access to game tapes is restricted. The usernames and password should be treated as sensitive and not be shared with anyone.
10. The PSAC tournament host institution will be responsible for taping and uploading tournament game.
11. Filming Specifications:
 - a. NEW digital tapes must be used for EACH game during the original recording.
 - b. The wide sideline shot should show all players involved in the action.
 - c. A video shot of the scoreboard showing the time and score must occur during timeouts and at the end of each half.
12. Each head coach is encouraged to invest time to train camera personnel prior to the beginning of the season.
13. The conference office will investigate any violation of the above rules. The conference office shall fine an institution \$100 per violation, as deemed appropriate.
14. In the event of a catastrophic circumstance in which equipment is damaged or completely unable to be used, the institution must provide, in writing, a description of the problem and solution for immediate resolution. This document must be signed and submitted (emailed if possible) by the athletic director to the conference commissioner.
15. If a problem occurs, the first contact should be Game Tape Exchange, then the conference office, then the institution that is expecting your game.
16. Only major issues are acceptable as excuses. Not knowing how to capture or upload, not having enough time, incompatible computer, internet speed (slowness) are not acceptable excuses.
17. No film exchange will be granted to a school outside our conference in order to scout another member institution.

- B.** There will be no filming of conference basketball teams while scouting.

APPENDIX A
NATIONAL TEAM RATING PROPOSAL - NCAA DIVISION II
JERRY KRAUSE, EASTERN WASHINGTON UNIVERSITY

RANKINGS

- I. The weighted point system is designed to be an objective measure of a team's achievement that takes into account the most important factors in college basketball; game outcome (W-L), game location (home or away), strength of opponent, and level of competition.

- II. Team rankings will be determined by averaging the points accumulated according to the weighted point system; i.e., by dividing the total points by the number of counting games.

- III. The basic weighted point system commonly called the "Krause Kount": is as follows:
 - A win against a winning opponent away = 5 points
 - A win against a losing opponent away = 4 points
 - A win against a winning opponent at home = 4 points
 - A win against a losing opponent at home = 3 points
 - A loss against a winning opponent away = 2 points
 - A loss against a winning opponent at home = 1 point
 - A loss against a losing opponent away = 1 point
 - A loss against a losing opponent at home = 0 points

- IV. **Special point value adjustments**
 - A. Level of Competition
 - 1. Games with NCAA Division I opponents - two bonus points will be given for all wins.
 - 2. Games with NAIA and NCAA Division II opponents - basic point system is applied.
 - 3. Games with NCAA Division III opponents - one penalty point will be assessed for all games.
 - 4. Games with opponents who are not NCAA or NAIA - one penalty point will be assessed for all games.
 - B. Neutral court games - these games are classified as home games.
 - C. Forfeits are counted as wins.

- V. **General principles**
 - A. A "winning team" is classified as such when its season record prior to a game is .500 or above.
 - B. The point system is applied to all games defined as legal games by NCAA rules.

PROCEDURES

- I. The point system will be applied beginning with the first game of the season and for each game thereafter until a ranking is determined.

- II. Each NCAA Division II school is responsible for reporting all counting game results (opponent's record, scores, and game point value) to the NCAA national office as part of their regular weekly statistic report. To be considered for a regional tournament play-off a school must have reported complete results for all counting games played during a season.
